Activities during the festival

- Maya route with traditional pelota match (sports arena)
- Over 130 associations (named NaturalMente) bound to the environment will be represented at the sports arena where they will hold conferences and workshops.
- Knowledge space where elders of various indigenous groups will tell us about their culture (park)
- Women , Mother Earth , Healing in mythology: meetings, workshops, reflections with women from different cultures at the medieval camp in the park
- Each day, various workshops for children (but not just for them…)
- Some traditional Italian craftsmen will show us their skills and hold some workshops for the visitors (village in the park)
- Camp with native American tepees
- Each day, a restaurant with local dishes, 900 seats both indoor and outdoor and pizzeria.
- Each day, ethnic restaurants (Eritrea, Kebab, Mexican, Brazilian, vegan, barbecue, paella)
- Each day, over 150 exhibitors with crafts from the whole world
- All activities are possible indoor if it rains. Performances and conferences also in the sports arena within the festival area.
- The sculptor Sandro Cortinovis from Bergamo will have a stand in the village in the park
- Shuttle buses from and to Bergamo (departure from and return to the Malpensata parking in Bergamo and from and to the Urban Center in front of Bergamo's railway station). Shuttle buses will circulate along Chiuduno's industrial area during the festival opening hours. Shuttle buses are free of charge
- Wellness area in the exhibition hall

The shuttle service to and from Bergamo and around the festival area is free of charge
